The meeting started promptly at 4:33 pm.

Sandy Whitlow welcomed the committee. She opened the floor for discussion of calendar drafts. The committee expressed interest in aligning the winter break and the spring break with Canyon ISD. Sandy has been in contact with Canyon ISD and gave the committee Canyon's tentative breaks, which aligned with AISD's calendar drafts. AISD is also aligned with the tentative spring breaks of Amarillo College and West Texas A&M University. Sandy reminded committee members that those respective institutes gave tentative dates, which could change. Sandy also informed the committee of a concern brought to her by a parent who had concerns about custody arrangements over the winter holidays. Committee members gave input on the drafts, made changes, and came to a unanimous vote on a 2017-18 AISD Calendar to recommend to AISD's Board of Trustees.

The meeting adjourned at 5: 09 pm.
